EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney of record, Jeffrey Maynard on September 25, 2007.

The application has been amended as follows:

Change "comprises" to --using-- in the second line of the abstract.

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant:

Label Figure 1: "Prior Art".

Label Figure 2: "Prior Art".

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

3. The following is an examiner's statement of reasons for allowance: the claims are considered to be allowable due to the inclusion of claim limitations: "first and second sets of capacitive voltage sensors mounted on an electrically insulating support member, the first set of

sensors being positioned along a first notional closed path and being connected in parallel between a first signal conductor and a reference conductor, the second set of sensors being positioned along a second notional closed path surrounding the first closed path and being connected in parallel between a second signal conductor and the same reference conductor as the first set...means for deriving the voltage in the conductor under test as a function of the voltage across the first signal conductor and the reference conductor and the voltage across the second signal conductor and the reference conductor” in claim 1. Claims 2-11 are considered to be allowable due to their dependence on claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Timothy J. Dole whose telephone number is (571) 272-2229. The examiner can normally be reached on Mon. thru Fri. from 8:00 to 4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner’s supervisor, Andrew Hirshfeld can be reached on (571) 272-2168. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
